IFEH World Congress Logo Design Competition

Design a logo for the 2024 World Congress on Environmental Health - “Environmental Health in the New Era,” to go in the draw to win \$250* towards the event!

Submit entries to samantha.smith@eh.org.au by
11:59pm March 22nd 2023

*This competition is open to all EHA members. *The winner will receive \$250* that can be used towards 2024 World Congress registration, workshops/technical tours or EHA organised activities during the event.*

Terms and Conditions

All entries must be submitted as a fine quality .PDF or high quality .PNG file.

Online Submission – please email submissions to samantha.smith@eh.org.au. A hard copy can be posted to the below address:

Samantha Smith (NCO)
PO Box 2222
Fortitude Valley, QLD 4000

The closing date for submissions is 22nd March 2023, 11:59pm

The design can incorporate the 2024 World Congress theme “Environmental Health in the New Era,” or highlight Western Australia as the location of the congress, and could include things such as flora, fauna, or any of the wonders of Western Australia, or include a bit of both! Be sure to also incorporate the IFEH logo and, if possible, the EHA. Logos are attached to this flyer.

By entering this competition you are agreeing that your entry can be used for promotional purposes for Environmental Health Australia, International Federation of Environmental Health and Business Events Perth.

All personal details from entrants will be kept private and will not be distributed to any third party organisations.
